In sub-varsity (JV) softball game, no new inning shall start after 1½ hours IF:

1. Both varsity and JV are scheduled to play back-to-back on the same field,
2. At the same site,
3. AND on the same field

Exception: In situations where the field is properly lighted and there is ample time between junior varsity and varsity games, the junior varsity teams shall be permitted to play a regulation game of 7 innings.

Most crews have the base umpire keep the time but that is up to each crew. Although you are keeping time, we DO NOT wear a watch but keeping it in your pocket or place a timing devise on the fence.
